Thanks! So, do we need to upload the Supplier General Information Worksheet in addition to answering the questions?

I see that all of the questions on the Supplier General Information Worksheet are asked in the actual bid, but do we need to upload that worksheet somewhere also? I'm going to upload the Certificate of Non-Collusion in the Financial section. Is that ok?

Hello Kathleen,

Thank you. Is it appropriate to ask in reference to the Supplier General Information Worksheet if every question has to be answered with a "Yes" in order to qualify to bid? Our hesitation is in regard to classifying LRG as a Small Business when we would normally just list as a non-profit. I appreciate your willingness to look over our list and will send them soon. We want to make sure to complete this appropriately!

Hi Christina

I can't look at your proposal but I can look at your list of bid documents. Make sure you read the attachment comments and that will tell you what you are expected to include in your bid documents. You can send me your list and I will check it. Please Don't send the actual documents.

Thanks

Kathy

Subject: Positive Alternatives Grant Questions

Hello Kathleen,

I hope this finds you doing well! I may have completely misunderstood, so feel free to correct me on this, but did you offer to take a look at our proposals and make sure everything is in place before officially submitting our bid to oversee the Positive Alternatives Grant Program? If so, I would love to send our information to you. We appreciate all of your help in this process!

Blessings,
